

A FATHER IS

BY: PASTOR DALE EVRIST

**A father is a leader
From the Father of the way
A man who walks a steady path
A course for each new day**

**To lead all those behind him
To go to every length
To help them follow Jesus
To fill their souls with strength**

**A father is an anchor
From the Father of all grace
A man who holds in every storm
With hope that never fades**

**To firmly fix his family
Securing all their days
To set their eyes on Jesus
To anchor them in faith**

A FATHER IS

BY: PASTOR DALE EVRIST

**A father is a treasure
From the Father's loving hand
A man of faith and faithfulness
Who honors His commands**

**To love His precious children
To fill their lives with care
To provide and to protect them
God's grace with them to share**

**A father is a teacher
From the Father of all light
A man of deep conviction
Who rises to the fight**

**To raise the generations
To know the God of worth
To disciple and to guide them
To fill their hearts with truth**
