Prayer Focus #1

Pray for the Persecuted Church

Scripture: 2 Timothy 3:10-12

Prayer:

"Heavenly Father, we pray for our precious brothers and sisters around the world who are being persecuted for their faith in Jesus. Cover them with Your hand of protection, and hide them from every plan of the enemy. Bring healing to those affected by violence and loss, and give Your people boldness and courage to share the Gospel. Lord, bring justice, religious freedom, and righteous governmental leaders in these nations so that your people may live in peace and safety. In Jesus' name, amen.

Prayer Focus #2

Pray for our global partners ministering in persecuted regions

Scripture: Matthew 28:19-20, Luke 10:19

Prayer:

"Heavenly Father, we pray for our global partners who are preaching the Gospel and making disciples of all nations in regions where Your people are being persecuted. Thank You for Your promise to never leave or forsake us. We ask that You would open doors for effective ministry, and thank You for Your promise of protection and for giving them authority over all the power of the enemy, so that nothing shall harm them. In Jesus' name, amen.
