

NEW SONG NASHVILLE

Weekly Prayer

POINTS

OCTOBER 15

Prayer Focus #1

Please pray for the leaders of New Song Nashville that they would have the discernment and direction needed to guide our church well in following the Lordship of Jesus.

Scripture: Ephesians 6:18-19

Prayer:

“Lord, we desire to follow you and obey you in everything. Please help our leaders guide our church according to Your Word and by Your Spirit. Give them grace and wisdom to lead us well for Your glory and the good of others. Amen.”

Prayer Focus #2

Please pray that the number of people coming to faith in Christ would increase significantly in the months ahead, as we see more “souls saved and disciples made.”

Scripture: Acts 26:17-18

Prayer:

“Lord, we are so grateful for all who have given their lives to you in recent days. But, as thankful as we are, we long to see many more have their eyes opened to their need of forgiveness and salvation in You. Please turn them from darkness to light, and from sin to salvation and sanctification. Amen.”
