NEW SONG NASHVILLE

Weekly Prayer

POINTS

NOVEMBER 12

Prayer Focus #1

Please pray for a widespread outbreak of healing in our New Song Nashville Family and for those they pray for, in spirit, soul, and body.

Scripture: Acts 10:38

Prayer:

"Lord, even as you went everywhere, doing good and healing all those who were oppressed of the devil, make us your instruments of doing likewise, as we pray in faith for those who need healing, seeing rapid recovery and many visible results. Amen."

Prayer Focus #2

Please pray that every member of our New Song Nashville Family would enter into and experience personal revival that would become a corporate, church-wide revival that would impact not only our church, but other churches in our city.

Scripture: II Chronicles 7:14

Prayer:

"Lord, as we turn away from all that is evil or unfit for us as your followers and disciples, and as we seek you with undistracted devotion, we ask that you would heal our souls and pour out your Spirit upon us, giving us revival by making us fully alive in You. Amen."
