WELCOME TO THE
SECRET PLACE

What is the Secret Place?

☆ Read Matthew 6:6

When Jesus came to earth, He called people to prayerfully seek the Heavenly Father in the Secret Place. The Secret Place is a place where we can be alone with God. The Secret Place is a place we meet every day with God, rather than a place we visit from time to time. This special place is where we listen, study and meditate on the Scriptures, pray, praise and journal. (☆ Read Psalm 5:1-3.)

Why Should I Be in the Secret Place?

We have been created on purpose for purpose – which is to know God forever. In the Old Testament, every commandment declares who God is and draws us to know Him more deeply. In the New Testament, Jesus' life, death and victorious resurrection gives us a new and living way to know God. One day in the future when every nation has

heard the gospel, Jesus will return, and we will be with Him forever. Until that day, we can grow in knowing Him through the Secret Place. (☆ Read Psalm 27:4-5.)

How Do I Find My Secret Place?

Jesus never commands us to do what He has not already done. He always found a personal place to seek God and calls us to do the same. So, your Secret Place is really any place you can be alone with God. The most important thing in finding your Secret Place is to pray and ask God when and where He wants you to meet with Him each day. (☆ Read Mark 1:35.)
